

2,5-5 litre

Duraline™ 180 UN

Duraline™ 180 UN is a model of pail, that fits all our types of lids. Not only that, the pail is sustainable and UN certified meaning that you only need to store one pail and switch lids as needed – flexible and space saving.

One pail fits all

2,5-5 litre Duraline™ 180 UN

Duraline™ 180 UN The conical design of the UN pail is logistically advantageous as empty packs are supplied stacked inside each other resulting in higher quantities per pallet. The external is available in plain, white or decorated to customers' requests. The internal is available in plain or lacquered.
